

US 50/SR 131 & Milford Parkway/Chamber Drive Improvements

Clermont County Transportation Improvement District

Second Public Open House Meeting – Wednesday, May 12, 2010 – 5:00 PM to 7:00 PM
Milford Community Fire Fighters Hall
1005 Lila Avenue, Milford, Ohio 45150 – East End of the Milford Shopping Center

You're invited to attend the next public open house meeting for the US 50/SR 131/Milford Parkway/Chamber Drive project on Wednesday, May 12, 2010, from 5:00 PM to 7:00 PM, at the Milford Community Fire Fighters Hall.

At the public open house meeting, you will have an opportunity to review and provide input on the following:

- Purpose and Need for Improvements
- Environmental and Existing Conditions Analysis for the Project Area
- Market Analysis Study for the Project Area
- Recommended Priority Near-Term Improvements
- Other Potential Improvements (for Additional Consideration)
- Preliminary Concept Plan
- Implementation Strategy and Phasing

Because your input is a very important part of the project process, please plan on attending the meeting.

US 50/SR 131 & Milford Parkway/Chamber Drive Improvements

Clermont County Transportation Improvement District

Project Description

The Clermont County Transportation Improvement District, in cooperation with the City of Milford, Clermont County Engineer's Office, Miami Township, Union Township, and the Ohio Department of Transportation, is continuing with the study of the US 50/SR 131 and Milford Parkway/Chamber Drive intersections and the surrounding areas for possible economic, environmental, and transportation improvements.

Project History

A public open house meeting was held on November 18, 2009 to gather public input on existing issues, resources, and features relative to the project area. Since the first public open house meeting, the project team has completed a market analysis study, environmental overview, and traffic analysis for the study area. The results of the studies are currently being compiled in a Planning Study Report.

Second Public Open House Meeting

A second public open house meeting will be held on Wednesday, May 12, 2010, from 5:00 PM to 7:00 PM, at the Milford Community Fire Fighters Hall. Results of the work completed to date, including those of the market analysis study, environmental overview, and traffic analysis, will be displayed. Project recommendations based on the findings of the studies, as well as public comments received in response to the first public meeting held in November 2009, will also be presented at the meeting.

Opportunities for review and additional comment will be provided at the public open house meeting and until May 26, 2010 at the City of Milford Administration Building. Project information is also available on the Clermont County TID's website at www.tid.clermontcountyohio.gov.

Please plan on attending the meeting. If you have any questions or concerns, feel free to contact any of the project team members listed to the right.

Next Step

After the second public open house meeting, the Planning Study Report will be finalized and preliminary engineering and environmental clearance will begin for the priority transportation improvement project(s) identified for near-term implementation. Please don't miss this opportunity to let us know what you think.
